WORK EXPERIENCE

GRAPHIC DESIGN & PRINTING | ZUDDLES LLC. | 2008 – PRESENT

I am responsible for designs directly correlating with printing as well as digital application. My position requires me to work daily with Xerox digital presses and forms of apparel machinery including dye sublimation, vinyl, and screenprinting. I also work with large format equipment. I am largely responsible for maintaining delivery protocol and working one-on-one with customers on a daily basis. My clientel range from individuals to large corporations. I also take on various Wordpress projects for customer websites and utilize my knowledge of coding.

FREELANCE DESIGNER | BURTON | 2010 – PRESENT

As a freelance designer, I focus on logos, layouts, branding, typography, and designing for digital application. I have had the opportunity to work on several branding projects for Ecolab in Texas, packaging design for local distributors such as Jonny Almond, and created various websites for individuals and communities with Wordpress.
